

Free EDM Channel Strips by Cj Stone

Created in Logic Pro X 10.06

How Do I Install This Channel Strips Pack?

Logic Pro X, like all Mac applications, has a support folder located in your Library folder. You will need to place the folder Free EDM Channel Strips in there as follows:

Macintosh HD > Users > YOUR HOME FOLDER > Library > Application Support > Logic > Channel Strip Settings > Instrument

Support:

If you are experiencing any problems using this Free EDM Channel Strips please email [support@logic-templates.com](mailto:support@logic-templates.com) and we will get you up and running as soon as we can.
